NEW OVER-THE-COUNTER BUYS

Keeping skin clean...and healthy

Worried about MRSA? When you go into hospital as an inpatient, you stand a nearly one in ten chance of catching an infection you didn't have beforehand. If

you need to stay in hospital, try new Hibiscrub all-body wash, £7.99 from Boots. One application will go on working for hours.

Baby not sleeping? One in three babies have trouble due to irritation caused by rashes and allergic reactions. The new Elave bath range is soap, alcohol, lanolin – basically anything

nasty – free. From £5.99, from Boots and elave.co.uk.

Log on to get fit

Want to get fit and stay on track? Now you can get your own virtual fitness trainer for just £7.95 for three months. All you do is text over a few weekly statistics and your 'trainer' will work out how you're doing. For a free trial and demo, go to gamerize.net/gzpt.htm.
